WHAMM, Bam, Kapow!

Give your 8-12 year old a day of stunts,
fights, and action movie magic!

Whamm, Bam, Kapow! is for every kid who has watched an action movie and wondered how they make the fights look so real! A professional stuntman, fresh from the set of the *blockbuster Sherlock Holmes*, will teach kids how to (safely!) pull hair, yank ears, slap, punch, kick, choke, run into walls, drag, push, fall, slip, and roll. We'll even create fights between super-powered characters! Each child will receive a *YouTube video* of their "fight reel."

No experience is necessary. Just come ready to work up a sweat and laugh until your sides hurt!

Saturday, May 15, 10am-2pm

First Congregational Church
Old Greenwich, CT

Cost: \$80* Ages: 8-12

Space is extremely limited!
